

36cm

A right-angled triangle is shown with its right angle at the bottom-left vertex. The vertical side is on the left, and the horizontal side is at the bottom. The horizontal side is highlighted with a thick black bar. A dimension line to the left of the vertical side indicates a length of 36cm. A dimension line below the horizontal side indicates a length of 48cm. The hypotenuse connects the top of the vertical side to the right end of the horizontal side.

48cm
